

Dear All,

This year's Lake Villa St. Patrick's Day parade on Saturday, March 13 we are again asking for your help. We're asking our community to bring a nonperishable food item to be collected on the parade route and put into the Lake Villa Township Caboose float.

The past year we have seen significant increase in demand on the Lake Villa Township food pantry. Our emergency assistance program and our food pantry have seen a large increase in demand. Luckily our community has also stepped up as well. This would be a fun way to help the Lake Villa Township food pantry and celebrate St. Patrick's Day.

If you prefer to make a cash donation to the Lake Villa Township Charities our 501(c)3 organization, can use the money to buy food from the Northern Illinois Food bank. The Northern Illinois Food bank allows us to replenish our food pantry for pennies on the dollar. In fact we can buy over \$10 worth of food for less than one dollar.

Thank you

Daniel Venturi
